

Digital Literacy Calendar

✨ **This is your assignment schedule.** Use it to see what lessons to read in Canvas and what assignments or quizzes are due each week. Check the icons for quick reminders, and don't forget to watch for bold **DUE** items — those are your deadlines.

How to Use This Calendar

- The numbered items (like 2.03: Presentations) tell you which lesson to open in the Modules in Canvas to read and complete.
- Look for bold DUE lines — those are the items you must turn in by the date listed.
- Use the icons below to quickly see what kind of work it is:

 = Quiz due

 =  Graded Assignment due

 =  Unit Test due

 =   Makeup Day (catch up, no new lesson)

 /  /  = Holiday or Break (no assignments)

➔ Tip: Use this calendar until the Canvas calendar is available, or keep using it if you prefer this format.
