

□ **How to Use the Fillable PDF Form**

1. Download the file first — do not fill it out in Canvas preview.
2. Open the file with Adobe Acrobat Reader (free) or Chrome.
3. When you stop working, SAVE the file:
 - Use File > Save or press Ctrl+S (keeps it editable).
 - Do NOT use Print to PDF or Export (this will lock it).
4. Submit your finished version in Canvas.

✓ **Save (keeps editable)**

✗ **Print/Export (locks form)**

□ *Reminder: Always Save, never Print/Export if you want to keep editing.*
